LEGA PRO ANIMALE CELEBRATES IT'S 20° BIRTHDAY: “BIG PARTY” AT THE SPAY AND NEUTER CENTRE FOR CATS AND DOGS IN CASTEL VOLTURNO ON SEPTEMBER 13°

Saturday the 12th of September 2009 an international conference took place at the Holiday Inn Resort of Castel Volturno where all the more scientific things were discussed. On the Sunday morning of the 13th the “big party” began with German draft beer and German live music. About 200 guests showed up over the day; public vets and private practitioners, members of other animal protection organizations, pet owners and clients of the LPA veterinary clinic had lots of fun together with the staff of the Centre. The beer distributed by German members of NATO flowed like water and the music invited people to dance. At certain moments the whole scene resembled the Oktoberfest in Munich/Germany!

The centre had been decorated with hundreds of green and yellow balloons that the team of LEGA PRO ANIMALE blew up on early Sunday morning. Everybody had great fun and all of the dogs, cats and buffaloes participated in the big party.
