

# AUGURI E FELICE ANNO 2011

MERRY CHRISTMAS AND A HAPPY NEW YEAR 2011

Dear Father Christmas,

My name is Infostrada and I am the oldest member of the LPA-family. Maybe you will not believe me: Lorenzo caught me at Marano di Napoli, a suburb of Naples in October 1999. They called it a "spay/neuter and return programme". At this time I was about 3-4 years old. Obviously I did not behave very well, not even the absent hormones could stop my passionate hunt for children on bicycles .... Lots of people got very angry and I had to go. From 2000 I have been a guest of LPA. It has always been fun to live here, playing with the other dogs, barking at the cats, but the daily life is always the same. Somebody in Germany adopted me from a distance and sent fantastic treats every so often. I was not worried even when I got sick, as they say I contracted Leishmaniasis. There is not really a cure but my illness is managed by letting me sleep indoors during the Summer months. This way the sandflies cannot feed on me and cannot get infected with my blood and cannot transmit it to other dogs or humans. I am lucky that I can continue to live a happy life. In the middle of the summer I do not like sleeping inside, because it is really hot and the windows have to be closed too. But for the rest of the time I am the happiest dog, because Dorothea takes me for a walk with her dogs is real fun, all the smells, running and young again, like a puppy, while on my face when I get up and continue still in perfect order: I pieces of dead little they smell so nice! And I why Dorothea screams take them away from me

transmit it to other lucky that I can life. summer I do not like it is really hot and the closed too. But for the happiest dog, because walk with her dogs is real fun, all the jumping ... I feel very even if I fall once in a jump over a ditch. But I running. And my nose is find every so often buffaloes in the fields, do not understand at all all the time and tries to .....

Oh!!! I got lost! I was chosen this year by the LPA to communicate to you the greatest desire of all my four-legged friends:

**WE WOULD ALL LIKE TO HAVE A CARING OWNER!**

Dear Father Christmas, do you think you can fulfil our dream in the next year? This would be marvellous. You know the Italian kennels are not like our Centre here at LPA. Thousands of my friends in Italian kennels are very sad, often sick and very bored.

I would like to thank you in advance with all of my little heart. And I almost forgot; please continue to help Dorothea in order for her to continue with her work for us. Lots of Love from everybody at LEGA PRO ANIMALE

Yours sincerely  
INFOSTRADA
