# CHECK-IN:

Lorenzo (below) takes care of the animals before surgery. Henna (right) verifies that the cat is asleep.

# PREPARATIONS:

Left: Isabella (yellow shirt) and her daughter Marianna are controlling the double labels on the carriers and Claudi (behind the desk) is checking the declarations of the care takers of the cats.

Above: Charlotte (left) and Teresa (right) are preparing the cats on little trays and taking them to the surgery rooms.

Down: JoAnn and Jamie spoiled the entire group with delicious home made weets.

Left to right:  
Dorothea, Emanuele  
and Gigi

# SURGERIES:

Giuliano, the best ....

Valentina is handling the males ....

# AFTER SURGERIES:

Left: (left to right): Nancy, Charlotte, Renate, Eleonora and JoAnn put the cats back in their carriers in between warm little blankets. Right: JoAnn and Jamie take the sleeping cats in their cages to the wake-up room.

Iris (left) is cleaning the surgical instruments and Dora (right) is preparing the packs for the autoclave.

Teri (down left) came from the USA to visit especially for this spay day. Together with Maria (down right) they made sure that the animals were ok during the wake up period.

A big THANK YOU to all of these wonderful volunteers!

Mena prepared - like always - an exquisite lunch for the entire "spay team"

The members of the "spay team" from all over the world and naturally all the cats thank Mrs. Margaret Jones and the AISPA in the UK and Mrs. Marina Lesona Fasano in Italy for taking over the expenses of this event!

**THE NEXT SPAY DAY WILL BE IN SEPTEMBER. PLEASE HELP BY MAKING A DONATION SO WE CAN STERILISE A LARGE NUMBER OF ANIMALS. THANK YOU!**
