

# LEGA PRO ANIMALE

SPAY DAY 14. OCTOBER 2011

**204  
cats neutered  
(133 female  
+  
71 male)**

This event was a contribution of LPA  
to WORLD ANIMAL DAY 2011

Isabelle (left), Michelangelo and Claudi (right) check the animals in

Lorenzo (left) prepares the cats for surgery, Teresa shaves the females and Valentina (right) takes care of the males

Vets at work: Dorothea (left), Emanuele, Gigi, Giuliano (right)

Iris (left) cleans the instruments, Dora prepares the spay packs and Eleonora (right) helps wherever help is needed.

"Fuel" is necessary and JoAnn and Jamie (left) are bringing lots of goodies, Mena takes care (like always!) of the lunch and Dorothea has coffee and sweets all day long ....

After surgery many volunteers make sure that the animals are comfortable and help in case they throw up: left to right: Anne, Annika, Renate (in front), Britta, Susan, Annamaria, Giovanna.

At noon the entire waiting room was still full of cages (above left). Next morning the care takers came to pick up the cats to release them immediately at their feeding points. Another spay day was over ....

**THE “SPAY TEAM”,  
or better the remaining  
members  
(it is already 8 p.m.!!!)**

Left to right, above: Rosa, Anna, Annika, Britta, Emanuele, Michelangelo, Valentina, Annamaria, Susan. Down: Gigi, Eleonora, Lorenzo, Giuliano. Missing: Isabella, Claudi, Teresa, Renate, Dora, Iris, JoAnn, Jamie, Mena and Dorothea (takes the picture).
