"SPAY DAYS"

Nearly every 2 month LPA is offering a so called "spay day" = day of free spaying/neutering for stray cats. Care takers from the entire region of Campania are waiting for the announcement of the next date on our home pages to catch as many cats as possible. The entire LPA team and other volunteers get busy. In 2010 **924** cats (611 female and 313 male) were neutered during these days.

427

Other **427** stray cats (302 female and 125 male) were neutered free of charge in between the "spay days".

483

Other **483** stray cats (343 female and 140 male) were neutered for the Regione project.

270

Other **270** cats (156 female and 114 male) were neutered in April at Aquila, the earthquake area
