HOW THE VOLUNTEERS AND VETS MANAGE TO SPAY/NEUTER SO MANY CATS IN ONLY ONE DAY:

Isabella (left), Michelangelo and Claudi (right) check the animals in

Teresa (left), Lorenzo, Antonella (right), Eleonora (below, left) and Christiane prepare the cats for surgery.

Vets at work:

above: Dorothea,
Emanuele and Gigi
right: Valentina

Jason, Nicolle and Charlotte make sure that the cats go back to THEIR cages. Angela (middle) and Broni take them to the wake-up room

..... where Giovanna (left), Maria (middle) and Honey (right) observe them until they are properly awake.

Iris (left) cleans the surgical instruments that Dora (right) compose in packages for the autoclave. Rosa constantly prepares strong coffee and Mena spoils the entire team with delicious pasta ...
